
Perfect Attendance For 6 Years

Tony Bailey, shown above, has just completed the sixth grade at Pamplin Elementary School and is the only student in Appomattox County Public Schools who has not missed a day of school in grades 1 through 6.

Tony is the son of Mr. and Mrs. Edward Bailey of Pamplin.

Tony has two sisters. Joyce is through the first grade and she missed no days during kindergarten nor the first grade. His other sister, Catherine, completed kindergarten this year and she missed no days during the year.

Quite a family tradition and we feel the parents should be congratulated.
